

REMARKS

This Amendment is responsive to the Notice of Allowability mailed on April 4, 2007. In reviewing the specification of this application upon receipt of the Notice of Allowability, Applicants' counsel noted typographical errors in the written description and Abstract of the Disclosure. To correct these typographical errors, Applicants have amended the written description and Abstract of the Disclosure. A version of the Abstract of the Disclosure with markings removed is attached hereto. Applicants submit that the amendments do not introduce any "new matter" into the specification. Applicants would appreciate early notice of the entry of this Amendment.

Applicants do not believe that any fees are due in connection with this submission. However, if such petition is due or any fees are necessary as a result of this communication, the Commissioner is hereby authorized to charge any under-payment or fees associated with this communication or credit any over-payment to Deposit Account No. 23-3000.

Respectfully submitted,
WOOD, HERRON & EVANS, L.L.P.
